10 May 1999

Dear sirs

With regard to Docket # 98N-1038 Irradiation in the production, processing, and handling of food.

- 1) All irradiated products SHOULD BE REQUIRED to carry a label clearly identifying them as irradiated.
- 2) Any product containing irradiated ingredients SHOULD BE REQUIRED to be so labeled.
- 3) There SHOULD BE NO "sundown" or automatic termination of this labeling requirement.

Thank you for considering my comments.

Respectfully

  
Lloyd Anderson
